Work experience

Committee for Justice in Palestine

March 2016 — Present

Vice President- External Affairs

The goal of the Committee for Justice in Palestine is to provide a base for which dialogue between Palestinians and Israelis can be started. Furthermore, we look to spread awareness around campus about the Palestinian-Israeli conflict which has affected a very significant portion of the people on Ohio State's campus. My job is to reach out to other student organizations as well as the remaining student body through social media and other platforms to help us make advancements in our goals.

Saint Alphonsus Regional Medical Center

October 2014 — May 2015

Senior Volunteer

Main responsibilities were to ensure patient satisfaction with their experience at the hospital. Roles included the training of new volunteers, admission and dismissal of patients into and out of the hospital, and occasional equipment maintenance throughout the hospital as well.

Bottle Shoppe

July 2015 — Present

Finance/Account Manager - Customer Service

Main role at The Bottle Shoppe is to ensure customer satisfaction at all levels. Whether it be through sales, returns, or inquiries, customer relations are always kept up. After hours, I assist in various accounting and financial procedures for the business in order to make sure margins stay healthy while complying with state minimums as well as ensuring income and expenses are properly documented for tax purposes.

Education

Biochemistry Bachelor of Science

August 2015 — Present

The Ohio State University

Member of The Honors & Scholars Program STEM Exploration and Engagement Scholars

High School Diploma/ International Baccalaureate Diploma

Augus 2012 — May 2015

Renaissance High School

Graduated with High Honors

Recipient of the International Baccalaureate Diploma
