2014 Athens County 4-H Clothing Judging Information

Athens County 4-H Clothing Judging will take place on Saturday, July 19, 2014 at the Albany Baptist Church which is located at 5331 State Street in Albany, OH.

This year's judging process will be the same as it has been for the last several years. This system has worked well and has reduced the time between the Style Show and the announcement of the results.

1. Construction and Consumer skills interviews will take place according to the schedule below. Members will sign in as they arrive and interviews will take place in the order in which members sign up unless there are special scheduling needs. This part of the judging process will take place with the garment(s) off the member's body. Please arrive a few minutes before your project is scheduled to be judged. Also, please remember that this schedule is approximate and that unforeseen delays may occur.
2. All members will appear in project groups on stage before the judges at approximately 3:00 p.m. (see chart below). Please plan to meet in the west hallway of the Albany Baptist Church (to the right as you enter the lobby) wearing your garment(s) and prepared to appear on stage before the judges. If you are with a construction judge at that time, please change into your garment and go to the west hallway as soon as you finish judging. You may use one of the restrooms in the church to change into your garment(s). This is not the Style Show nor will modeling be judged at this time. You must be present for your interview, this portion of the judging, and the evening Style Show in order to place or be considered for an award. This part of the judging is to let the judges see the members' garments on their bodies to check fit, hemlines, etc. Please be ready to model your garment(s) for the judges at that time (Sewing for Others - your other is the model). You will line up with those who are enrolled in the same project for this event. This portion of judging is expected to take about one hour.

3. Bring to your interview: your completed (purchased for consumer projects) garment(s), your completed project book, your pattern envelope and guide sheets, if you constructed a garment accessory, and any other items you feel will help explain your experience to the judge.
4. Please attach a 2" by 21" swatch of any fabrics or materials used to construct your garment/accessory to your interview sheet (NOT the narration sheet) and bring it to the judging.
5. Also, please fill out the Style Show Narration sheet and turn it in at the time of your registration for judging.
6. The Athens County 4-H Style Show will begin at 7:00 p.m. on Saturday, July 19, 2014. It will take place in the auditorium of the Albany Baptist Church. Members should meet in the hallway to the right of the auditorium, dressed and ready to model, no later than 6:45 p.m. Family, friends, and the general public are invited to attend the Style Show. Modeling Awards will be judged during this event.
7. The Style Show will conclude with announcements of group placings, a variety of awards, Fashion Board Members for 2014, State Fair Participants and Alternates.
