Please hold one of the following dates to attend the yearly mandatory 4-H Volunteer Kickoff:

- *Tuesday, February 2: 5-7 p.m.*
- *Tuesday, February 9: 6-8 p.m.*

Location: Ramser 4-H Activity Center
700 Perimeter Drive

We are hoping to hold these in person on each of the dates listed above. If we can hold them in person, we will have a maximum number of 40 individuals at each session. There will be a survey that you will fill out to sign up for the session that you want, once we can confirm that we can hold these sessions in person.

Your attendance at one of these sessions is a mandatory component of remaining a volunteer in good standing.

These sessions will be only for the brand-new volunteers.
