department chairs, faculty, staff and students. Carol Poe served as administrative secretary after Connie left. Other staff to make significant contributions to the decade include Dina Morgan, Sandy Morell, and Liz Zottola.

Graduate Studies

CURRICULUM 1987-1997
Throughout the 1980s, approximately 50 percent of the department's students were international, which increased to approximately 60 percent by the end of the decade. During this time, students had the opportunity to participate in international study abroad programs. The students completed required coursework for an undergraduate degree in a specified area of study. The department offered a range of courses in agriculture, including horticulture, animal science, and crop science.
