General Body Meeting – Meeting Minutes

Theme: Enterprise Project Update

January 11, 2018 @ 3:30-5pm, Cunz Hall 160

Enterprise Project Representatives:

- Jillian Baer.87- Admissions & Recruiting team (from GP Admissions)
- Natasha Faze.6- Academic Advising, Student Success & Degree Audit team (previous Graduate Program Coordinator)
- Jennifer Marinello.1- Admissions & Recruiting team (from GP Admissions)
- Brian Mowery.32- Records, Enrollment & Curriculum team (from the Graduate School)
- Erin Howard.1339- Student Core team (from Buckeyelink)
- Janice Wolens.1- Organizational Change Management (from OCIO)

General Introduction

Enterprise Project vs. Workday Project

- Workday is the new system
- There are other systems involved and the project is changing some business processes, so the entire project is called Enterprise

Training for staff

- Depends on your role and what you are learning
- Could be online or in person or a mixture of both

Organizational Change Management

- Representatives: Erin Howard & Janice Wolens
- Currently in Architect phase 1
- Continuous updates – every 6 months
- Student Strategic Direction
 - Provide a better student experience- prospect→alum
 - Degree Planning Tool
 - Interactive experience
- Role of Change Management
 - Make sure people know what's happening
 - Allow people to get engaged in the project
 - Change impacts
 - Make sure everyone knows when and how things are changing
- Change network
 - Identifying someone in each college and unit- acts as liaison
 - Make sure people know what the workday project is
- Enterprise Project Digest newsletter
 - Starts at the end of January
 - Opt In - Janice will provide details on how to get on list
- What we need from you
 - Be open to changes
 - Share the information
