

January 16, 2020

3:30 to 5 p.m. 285/289 Student Academic Services Building

Theme: Monthly Meeting

Attendance: 9

Brainstorm:

- Dina Galley (AGPA Education and Engagement Lead, Graduate Program Coordinator, Civil, Environmental and Geodetic Engineering)
 - Two questions to guide conversation around fellowship (any strategies?) and best practices in busy/stressful times (discussion below)
- Jon Bullock (AGPA President and Assistant Director of Outreach, Graduate & Professional Admissions)
 - Suggests Brian Orefice as a spring speaker/potential for AGPA conference session
 - Scott Miller from GP Admissions will present on transcripts policy in Spring Semester

Fellowship strategies (general discussion):

- College-Allocated Fellowships and nomination timing
- Differences in funding of students (some programs fund for six years, others have competitive funding)
- Discussion of yield strategies and fellowship, question about submitting packets and uploading documents to EDWARD
- Deadlines discussion, best practices for working with faculty on fellowship review and what systems are used for reviews
- CAS vs. EDWARD discussion
- Moritz discussion (different funding than graduate programs)
 - Scholarship funds, financial counseling, GPA requirements, research assistant discussion

Spring Meetings discussion:

- SARNCO (Sexual Assault Response Network of Central Ohio), BRAVO (Buckeye Region Anti Violence Organization) as potential groups to bring
- Scott Miller transcript discussion (half meeting)
- Skills workshop (or for conference session)
- Strengthsfinder workshop (this would cost money)
- Professional Development
- Social meeting for May
