Women Owning Woodlands – *Social & Listening Session*

Are you a woman woodland owner? **Women Owning Woodlands** is starting up in southeast Ohio. We will strive to bring topical, accessible, and current forestry and natural resources information to women landowners and forest practitioners. We support women in forest leadership, women who own and manage their own woodlands, and all who facilitate the stewardship of forests.

Join us for this first social gathering. We will get to know one another and determine what type of programming you would like to see for Women Owning Woodlands here in southeast Ohio. We want to hear from you!

We will also have some resources to share.

Date: Monday, May 6th

Time: 5:15 p.m. – 7:00 p.m.
