**Join us for a free informative program at the
Friendship Gardens of Hardin County**

Learn about gardening with visual, physical or health limitations with Laura Akgerman, Disability Services Coordinator with the Ohio Agrability program. Plan and practice good, safe habits while managing limits and preventing injury. Design your garden to work the best for you, while using adaptive tools to keep your favorite hobby enjoyable.

The Friendship Gardens of Hardin County will be the site. The program will be inside with seating and air conditioning, and then will move outside for a demonstration with questions.

Come join us for the evening while enjoying the gardens and a great, free program.
