

Where can you find classic summer camp activities - like hanging out around the campfire, breaking a leg in the talent show, and dancing the night away with your fellow campers-turned-BFFs - AND activity sessions centered around all things forestry and wildlife?

Look no further than Camp Canopy!

(Formerly Ohio Forestry and Wildlife Conservation Camp)

Discover Forestry

Experience the great outdoors at its finest in the woods and streams of Ohio FFA Camp Muskingum with hands-on forester activities and the coolest forestry technology around (like an augmented reality program that simulates a topographic land map!) that'll leave you on #TeamSmokeyBear.

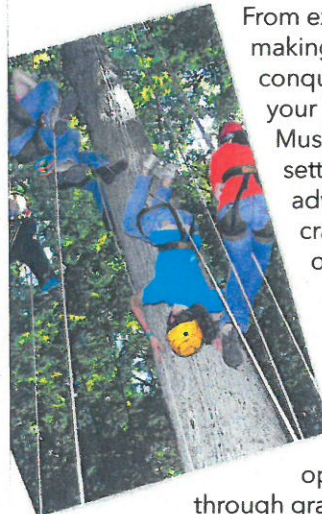

Discover Wildlife

Get up close and personal with the animals, birds, insects and fish of Ohio FFA Camp Muskingum and Leesville Lake, and learn what it takes to be the ultimate wildlife ID'er, biologist, officer and electrofisher. And, you just might make a few furry friends along the way!

Discover Adventure

From exploring the wooded trails, making waves in Leesville Lake and conquering Adventure Valley with your leaf group, Ohio FFA Camp Muskingum offers the perfect setting and amenities for the adventure-seeking, nature-crazed, summer-lovin' campers of Camp Canopy.

Camp Canopy typically takes place the second week of June every year at Ohio FFA Camp Muskingum in Carrollton, Ohio, and is open to incoming freshmen through graduating seniors. And bonus - college scholarships are awarded to the highest-scoring campers on the last day! Sponsorships may be available to help cover costs for campers.
