APPE Final Evaluation 2021-2022

General overview

Thank you for serving as an APPE preceptor for The Ohio State University College of Pharmacy. We appreciate your willingness to contribute to our students' professional growth.

Please use the following scale to assess your student's performance during the final week of the rotation. Two scales are shown below.

For the Communication and Professionalism sections, please evaluate your student(s) based on the scale of Unsatisfactory Performance, Needs Improvement, Progressing Satisfactorily, and Independent. More detailed descriptions are in the second row of the table below.

For the remaining sections, the scale is based on your assessment/trust of the student's ability to complete basic and complex tasks as an APPE student progressing to become a competent entry-level pharmacist. Use the third row in the table below to find more descriptions of this scale.

How to apply scoring

Level 1	Level 2	Level 3	Level 4
<i>Unsatisfactory Performance:</i> Student does not meet requirements. Student is unable to complete basic/routine tasks despite guidance and prompting.	<i>Needs Improvement:</i> Student meets some minimum requirements. Student frequently requires guidance and/or prompting to complete basic or routine tasks.	<i>Progressing Satisfactorily:</i> Student is making progress towards meeting requirements. Student requires some guidance and/or prompting to complete basic and complex tasks.	<i>Independent:</i> Student meets requirements. Student independently completes basic tasks and requires minimal or no prompting to complete complex tasks.
<i>Low Trust:</i> Student required complete guidance or was unprepared; preceptor had to do most of the tasks. "Preceptor did it."	<i>Minimal/Moderate Trust:</i> Student was able to perform some tasks but required repeated directions. "Preceptor talked student through it."	<i>High Trust:</i> Student demonstrated some independence; only required intermittent prompting. "Preceptor directed student from time to time."	<i>Complete Trust:</i> Student functioned fairly independently, only needed assistance with nuances or complex situations. "Preceptor was available just in case."

Grade Distribution
A ≥ 3.0
B ≥ 2.7
C ≥ 2.5
E < 2.5

**If you feel the student exceeds expectations through consistently taking initiative to complete all tasks and going beyond what is required, consider awarding the student Honors Level Performance in addition to an "A" grade at the end of this evaluation.*

Please note you may not submit the assessment until all required questions are completed. You may leave the assessment and return to it at a later time, but you must save your progress before exiting. When continuing the assessment, select the same evaluation link and press the Submit button to submit the assessment to the Experiential Education office.

To view the calculated score for your student, click the "Save Changes" button at the end of the evaluation before submission.

Sometimes Aaron can come off in an odd way and appears odd to "read": as I explained to him, this is not always a bad thing but should be watched so that he doesn't come off in a bad way. In general, though, he is a kind and very intelligent man.

Are there any clinical topic areas in which the student was more proficient than expected (diabetes, COPD, infectious diseases, etc.)?

Honors Level Performance

If you feel this student has consistently demonstrated progress exceeding expectations of an APPE student, you may write a nomination for Honors Level Performance. This honor is reserved for students who consistently show exceptional clinical skills, judgment and professional socialization. The student's passion and dedication to the future of the profession of pharmacy should carry through to every aspect of their interactions with patients and other professionals. In your opinion, this student is a true "thought leader" and will contribute greatly to the profession. Nominated students will receive special recognition on their transcripts.

If you feel this student is deserving of such an honor, please write a brief description, including specific examples, about the student's performance in the comment box below. This must be submitted by April 30th for an April rotation in order for it to be processed in time for graduation.
