---

## EXPERIENCE

DECEMBER 2017 – JULY 2018

**FLOOR SALESMAN, GAP**

I was responsible for folding clothes, mopping the floors, helping customers find anything they need, and working the register.

SEPTEMBER 2018 – MARCH 2019

**WOW**

The WOW program is a volunteering program that goes to elementary schools to introduce young children to the STEM field by doing science experiments with them.

## EDUCATION

MONTH YEAR

**HIGH SCHOOL DIPLOMA, CANON MCMILLAN HIGH SCHOOL**

Finished with 4.44 GPA, ranked 8/400, AP Scholar with Distinction, US Marine Corps Distinguished Athlete Award, American Legion School Medal Award, Scholar Athlete Award, National Honors Society, German National Honors Society

MONTH YEAR

**BACHELOR OF SCIENCE IN MECHANICAL ENGINEERING, OHIO STATE UNIVERSITY**

I am a part of the leadership council of STEM EE Scholars. I finished the first semester with a 4.0 GPA. Some of the classes I have enrolled in are Engineering Math A and B, Chemistry for Engineers, and Engineering I and II.

## SKILLS

- Works Well in Teams
- Good Leadership Skills
- Helpful and Approachable
- Organized
- Outgoing

## ACTIVITIES

I am part of STEM EE Scholars, and I was elected to the leadership council. I was a captain of my high school soccer team. I was involved in Lead CM which is a group of seniors that help freshmen become acclimated to high school. I have volunteered at the local food bank, my church's fish fry, and the library.
