Gender Initiative Skill Workshop

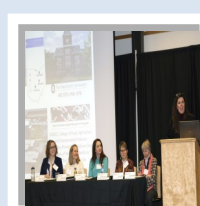

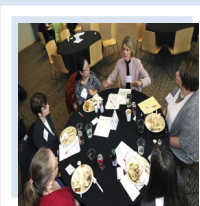

Why Can't We All Just Get Along

Facilitator: Kathy Lechman, PhD, CFAES Director of Equity and Inclusion

Conflict is unavoidable and is a daily occurrence. Our approach to addressing conflict is what determines whether there is a positive or negative outcome. This session will address ways to effectively manage conflict with understanding that not all conflicts can be resolved but all can be managed.

Agenda:

- 1. Participants will examine beliefs and attitudes around conflict and confrontation***
- 2. Participants will identify at least two strategies for addressing conflict***

The workshop supports the goals of the CFAES Gender Initiative to build a pipeline for women in the agricultural and natural sciences who want to enter the academy or other professional professions.

Dr. Sandy Velleman is the lead faculty working with the CFAES Office of Equity and Inclusion
