INTERNSHIPS ABROAD
Ohio International Agricultural and Horticultural Intern Program

Now eligible for STEP funding

Programs in Agriculture and Horticulture Available from 3 to up to 12 months depending on the host country and visa regulations

Interns and their hosts will have the opportunity to pursue three main objectives while participating:

- To experience on-the-job agricultural / horticultural training while living and working with a foreign family or agribusiness.
- To have cross-cultural experiences, understanding and friendship.
- To become acquainted with other cultures, traditions, languages. and local economy/ market trends.
