

Heaven themed things:

- angel wings (Knight)
 - **These wings are related to the guardian angel that each person is said to have, Angel wings have multiple meanings**, but all of them are closely related to purity, strength, perfection ... It is a representation of the guide, of wanting to protect the other person and granting him the favor of a guardian angel at his side to protect him and at the same time it serves as a guide in your day to day life.
 - There is also talk of being a **connection between earth and sky**, especially when that wing is presented individually, since it makes that person look like a heavenly human being, since it only conserves one wing.

 - Angels are near: The first meaning is simply that angels are nearby. This could be someone they know who passed on or a patron saint.
 - Watching over you: The most common meaning is that a loved one is watching over you. If you've recently lost someone close to you, this is a source of comfort.
 - Peace: White feathers are also a symbol of peace, even if you're not a religious person.
 - Everything is okay: Lastly, a white feather is a reminder to stay faithful. Everything is going to be okay with time.
- Number 666
 - Together, the number 666 indicates **a need for balance between the home and the rest of your life**. There is an indication that something in your life is out of balance, and your angels are warning you to discover what that something is, and set it right again.
