

Chapter 14 exercise 22 translation

I find what they will do tomorrow for the first time. I match them as in the example.

A Charilaos thinks how it will be...

Tomorrow, after so many years, I won't wake up at 6:30 in the morning. I shall wake up at whatever time I want, I shall drink my little coffee and afterwards I'll take a stroll into the center of town. I shall go to the park, I shall read my newspaper, I shall meet friends, and...

B Elias thinks how it will be...

Tomorrow I shall meet my teacher and my fellow students. I shall prepare my bag in the morning. What shall I put inside?

C Sonia thinks how it will be...

I shall arrive precisely at 7:30. I won't be even a minute late. I shall politely greet my colleagues and I shall wait. They will show me where my office will be. I shall sit down, I shall prepare my papers, I shall open my computer and I shall begin...

D Christina thinks how it will be...

I shall go inside and I shall sit down in the driver's seat. The teacher will explain to me what are the things that I see. I shall put my key in the engine and I shall start...

E Angelo things how it will be...

I shall go through the passport control and I shall wait in the waiting hall. When I go inside, the stewardesses will help me. I shall find my seat, I shall put on the seatbelt and after a little while we shall start.

F Peter thinks how it will be...

Tomorrow he will come home. I will spread out the little white sheets. Next to him I will place the little bunny with the yellow ears. We shall listen to music and we shall play.

G Marina thinks how it will be...

I shall go inside. I shall have a lot of anxiety. I will lie down on the chair. She will put a napkin around my neck and she will give me a little glass of water. She will ask me what problem I have and I shall tell her. I shall open my mouth. Oh! Will I hurt?

H Dina thinks how it will be...

I shall prepare a plan of where I shall go and what exactly I shall see. I shall open the map and I shall start my walk. I shall walk a lot.

I Basil thinks how it will be...

I shall order a chocolate cream cake from the pastry shop. I shall get a little candle. Friends and relatives will come with their children. We shall sing "May you live..." and afterwards we shall put out the candle together, since on her own she won't be able to.
