

Ryan Exline /
Year of Service

iBELIEVE and BGC

The iBELIEVE Foundation:

- Foundation for educating HS students in Appalachia on leadership, communication, and problem-solving
- I helped with office tasks involving planning, as well as running the iBELIEVE University student org here at OSU
- I've been involved with iB for a few years staffing workshops and retreats, but I now have a better idea of the inner workings of all the planning and such that goes into it all

UA/Metro Boys and Girls Club:

- Provides education support and fun programming for students in Columbus
- I helped to facilitate programming, interact with students, and do anything else they needed
- Coming into UA/Metro, I wanted to get a better idea of what it's like to not have as much privilege, and I got to learn from these students' experiences to put some of the privileges I've had in my life into perspective
