

POND CLINIC

Wednesday, May 1st • 5:30 - 8:30 pm
Candlebrook Farms
3269 Ferry Road, Bellbrook, OH 45305

Dinner & Check-in Begin at 5:30PM / Program Begins at 6PM

Featuring the following speakers:

Aquatic Weed Management

Greg Meyer - Agriculture & Natural Resource Educator - OSU Extension

Learn about the different options and methods when it comes to maintaining healthy plant life while still controlling summertime algal blooms.

Fish Stocking

Remlinger Fish Farm

Looking to add some new fish types to your pond ecosystem? Learn about the different pond fish species and how some might be a better fit than others.

Pond Siting and Construction Considerations

Warren McCarren & Don Norman - Greene & Warren Soil and Water Technicians

Interested in adding a pond to your property? Learn about what where you could build and why some sites are better suited than others.

The dinner and program are free but registration is required. To register, visit warrenswcd.com or contact your local SWCD:
