- The three green characters on the board are goblins that will attack you
- Use the arrow keys to move around the board
- Move into an enemy to attack it
- Move into an item to interact with it
- When you attack an enemy, your health and its health will show up in the command window

- Your opponent counterattacks when you attack first
- Your character counterattacks when your opponent attacks first

### **How to win**

- Retrieve the crown to win the game

### **Tips and tricks**

- Opening the chest may give you special abilities to help you win
  - You cannot open the chest without defeating its protector
- Drinking the potion boosts your health to 100

### **Special Items**

The Knight:

- An enchanted shield that blocks most of the goblins counter attack
- This item will only block the counter attack, not your opponent's original attack

The Warrior:

- A poison dagger that assassinated the next target
- This may only be used once

The Shadow:

- Grabbling hook that allows you to jump over the holes in the floor
- Only one hole may be jumped at a time
