

OSU Females of Chemistry Uniting Scientists Presents (FOCUS)

Save the Date!

FOCUS Research Symposium 2023

FOCUS is inviting everyone with a love of STEM to mark your calendars for the 2023 FOCUS Research Symposium – an all-day celebration of STEM research on **April 7th, 2023**.

The Research Symposium will include:

- Student poster presentations and talks open to undergraduate and graduate student as well as postdoc presenters
- Open professional development discussion panel with successful women in STEM
- Seminars by guest speakers **Prof. Annabella Selloni** (Princeton) and **Dr. Rebecca Green** (Bristol Myers Squibb)

If you are an undergrad, grad student, or postdoc doing research in STEM and would like to participate in the poster session, start preparing your abstracts! Undergrads may present alone or in teams of two. There will be prizes for the best presentations. Keep on the lookout for an official call for abstracts in January.

Deadline for abstract submission: March 10th by 5 pm

Prof. Annabella Selloni

Dr. Rebecca Green
