

FEMALES OF CHEMISTRY UNITING
SCIENTISTS PRESENTS:

How to Network

30 October 2023

1:30 - 2:30 pm

CBEC 267

Student-Lead presentation followed by 1:1 practice!

Presentation will include a brief summary of the following topics including tips and tricks:

20 Minute Networking
3 Minute Thesis
1 Minute Elevator Pitch

After the presentation, you will be paired up with other participants and **practice** some of the skills talked about in the presentation.

This event is supposed to be a **low-key** career development workshop aimed at getting you more comfortable talking about yourself and your accomplishments!
