Greetings,

I hope this letter finds you well. Enclosed are the Volunteer Training Opportunities offered to Henry County Advisors and Volunteers in 2024.

We ask for you to complete registration by following the link or by scanning the QR code on the flyer. If you are an organizational advisor, but cannot make the Advisor Kick-Off, you are welcome to send a replacement – however, you are still required to complete one of the other training opportunities offered. Zoom links will be send to those that have responded to the registration link the day prior to the event.

If you have any issues whatsoever, please contact us at the office, we are happy to help.

Sincerely,
