

Thank you again for attending the “Beginner’s Guide to Showing Livestock” Program!

We understand that it was A LOT of information – so I created this Toolkit to give you a reference place to review a lot of what we reviewed!

- [Henry Co. Jr Fair \[Blog Tab\]](#)
 - This page is a great resource if you ever want to reference JUST the Jr Fair schedule & programs. We know it’s hard to navigate the Henry Co. Fair Book, so this is a great tool.
 - With all of the changes this year (2024) this is also where we have updates posted for families to reference.
- [Henry Co. Livestock Sale \[Blog Tab\]](#)
 - This page is all things Sale-related. When you are out & about asking buyers, this would be a good page to share with them!

- [FairEntry Information \[Blog Tab\]](#)
 - This page includes instructions, tutorials, and helpful hints to help you through making your entries as painless as possible.
- **Communication at the Henry Co. Fair**
 - In 2024, we are super excited to have a Verizon tower on-site! Which means better service for EVERYONE!
 - Our 4-H Now App will be the go-to place for showbills, results, split information & more
 - It is FREE! And we are able to send out alerts, so this has been hugely beneficial for the last 2 years at fair!
