

Conceal vs. Reveal:

→ closed "box" covering body part vs. opening on other (head/face?)

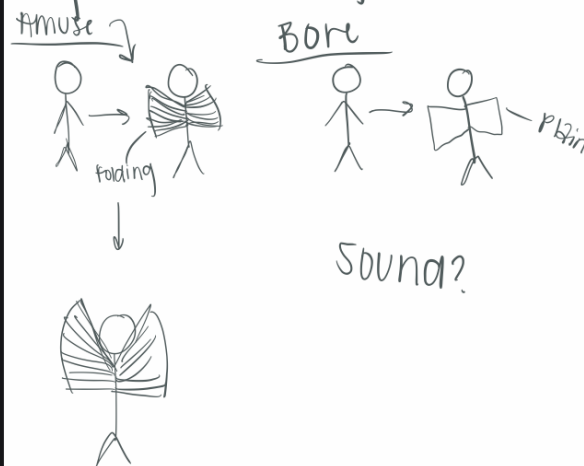

height vs. depth:

→ same height ↑ on one + same length ↔ on other

Amuse vs. Bore:

→ more complex construction vs. very basic. something w/ arms?

new idea

questions:

What new sense?

touch - rough machine vs. soft paper? - maybe "halter" to hold them up

~~smell~~

Sound - paper inside?

~~taste~~

② on both of us?

- paper for unrealistic expectation

- paper mache for natural + real
