Semester Timelines

Terms	Months	Monthly Expenses to Cover
Autumn	mid-Aug to Dec	Sept, Oct, Nov, Dec
Spring	January to April	Jan, Feb, Mar, Apr, (May rent)

August is not included in the semester timeline above since rent and other bills for the month should already be paid when autumn semester starts.

You will receive your spring refund around the second week of January; therefore, you may want to plan on paying January's rent with your Autumn refund.

May rent will be due before receiving your summer 2015 refund.
Plan to pay it using your spring 2015 refund.

Which term do they fall under?
