Gates Mills, OH

Work Experience

Research Intern

Case Western Reserve University

- Completed a graduate-level research project studying the effects of mutations on a gene in nonsense-mediated mRNA decay (NMD) on how a cell degrades mutations. Results are now used in further experiments to design therapeutics.
- Wrote newspaper articles and presented results in a professional research symposium.

June 2018 to September 2018

Cleveland, OH

Pool House Server

Chagrin Valley Hunt Club

- Took orders, served food, cleaned pool house and bathrooms and networked with members of one of Cleveland's most elite, invite-only country clubs.
- Served at an exclusive event July 12th, 2019 that the President of the United States attended. Learned etiquette and military-style serving methods to serve politicians.

May 2019 to August 2019

Gates Mills, OH

Leadership/Volunteer Work

Global Public Service Academy (Duke/Johns Hopkins)

Medical Service Trip Leader

- Organized health clinics, taught healthcare in schools, and went on home visits in rural Appalachia.
- Was invited to lead a service trip last spring. This involved training a group of 10 students how to take vital signs of patients and work with the citizens there.

March 2018 to March 2019

Gilmour Academy Astronomy Club

Founder

- Started my school's first Astronomy Club my freshman year of high school.
- Orchestrated weekly meetings, organized field trips, brought in speakers from NASA, organized viewing nights with professional astronomers, and helped conduct research on light pollution.

September 2015 to May 2019

Gates Mills, OH

National Circuit Speech and Debate

Speech Captain

- Competed on Gilmour's Speech and Debate team 4 years of high school.
- Was a **State Finalist** my senior year and qualified for the **National Tournament** my junior year.

September 2015 to May 2019

Gates Mills, OH

Cleveland Clinic Hillcrest Hospital

Hospital Volunteer

- Worked under hospital nurses to tend to patient's needs. This included asking patients if they needed anything, checking in patients to the lab, making patients get well soon cards, tidying up patient rooms, and other miscellaneous responsibilities.

June 2017 to August 2018

Mayfield, OH

Dare To Care International

Senior Project- Global Health Careers

- Worked with a nonprofit called Dare-to-Care International to help organize their charity Gala by reaching out to donors and organizing speakers.
- Volunteered at the Gala itself and helped raise over \$20,000 for the organization.

April 2019 to May 2019

Interests

Global health initiatives, environmentalism, women's rights, public speaking, creative writing, backpacking, and rock climbing.
