COURSE RESEARCH PROJECT

Nonhuman Animal Emotions and Human Morals in Animal Research
Capstone Project 2017

- Investigated to what extent non-human animals feel emotions and suffering to build support for my argument that non-human animals are sentient beings
- Analyzed the standard of human morals to support my argument that it's morally wrong to knowingly inflict pain on a sentient being

ADDITIONAL EXPERIENCE

Sustainable Energy
Study Abroad

Reykjavik, Iceland
March 2016

- Learned about various ways Iceland uses sustainable energy in order to build my knowledge about energy while working on projects with other international students
- Collaborated with other students to brainstorm ways to conserve energy in order to expand our understanding of sustainability
- Compared the use of energy in Iceland to the use of energy in the United States to better understand how energy can be better conserved in our everyday lives

MaternOhio
Summer Job

Dublin, Ohio
May-August 2017

- Input patient information into an online database in order for doctors to have easier access while consulting with a patient
- Communicated with doctors and office workers to work more productively and accurately
- Built an understanding of the language used in the medical field in order to better input data and specific notes into the database

Columbus Zoo & Aquarium and Zoombezi Bay
Guest Relations Team Lead

Columbus, Ohio
April 2018- Present

- Communicated with guests to ensure they felt welcomed and familiar with the grounds and events going on that day
- Collaborated with coworkers to work efficiently throughout shifts
- Assisted guests with issues and questions in order to improve their visits
- Arrived before, and stayed after, park hours to prepare and maintain a clean and welcoming environment

- Worked special events at both parks which required additional training
- Explained and sold cabanas, wristbands, Zoompasses and tickets to guests
- Ensured team members carried out assigned tasks and communicated with each other
- Tracked and logged daily park statistics
- Communicated and enforced park rules and regulations
- Performed safety audits on team members and maintained a safe environment for guests
- Trained new team members in safety, sales, guest engagement, and other daily responsibilities

Target

Flexible Fulfillment Team Member

Columbus, Ohio
November 2019- Present

- Communicated effectively with Team Leads in order to complete daily tasks
- Collaborated with other Team Members to efficiently locate and pack items for shipment
- Assisted guests in locating items and answering product questions
- Expressed a positive attitude when greeting and assisting guests

4 Paws for Ability

Volunteer Trainer/Puppy Raiser

Columbus, Ohio
November 2019- Present

- Socialized, raised, and trained service dogs in training for future disabled owners
- Advocated for service dog rights and provided awareness to the public about their purposes
- Ensured the health and safety of the service dog in training at all times
- Housed and provided enrichment for service dog in training
- Communicated and collaborated with other volunteer trainers

SKILLS

- Microsoft Word
- Microsoft Excel
- Apple iMovie
- Adobe Photoshop
- Health Fusion MediTouch
- Verifone Systems
- Zebra Technology

ACTIVITIES

- Zoology Club at OSU
- Animal Welfare and Behavior Club at OSU
- Biological Sciences Scholars at OSU
- Ohio House Rabbit Rescue
- 4 Paws for Ability at OSU
