

Congratulations and welcome to Ohio State Mansfield. This website is meant to serve as an online orientation and give you the information you need to get ready for your first semester at Ohio State.

First, here are some fast facts about your university. We are ranked the number one public university in the state of Ohio and number 16 in the nation. We are ranked twelfth nationally for public research. Ohio State has over 200 majors for you to choose from, and we are ranked twentieth for best value. As an Ohio State Mansfield student, you are now part of this tradition of excellence.

Here at the Mansfield campus, you can get a great start on any of Ohio State's 200 plus majors. There are also degrees you can complete here. The ones in scarlet are majors you can complete entirely at Mansfield. The ones in black are minors you can complete here. This website has several categories to help you prepare for life as a Buckeye. Let's explore.

First and foremost is Academics. Visit this section of the site to learn more about majors, scheduling classes, and meeting your advisor.

Never been to Mansfield before? No problem! Visit the Getting Around Campus portion of the site to review an interactive campus map and learn about public transportation options in our area.

Transitioning to college can be tough, so be sure to check out the New Student Resources section of the site for information about academic and personal resources available on campus.

Once you have scheduled your classes, you will need to plan how you are going to pay your bill for the semester. Review this section of the website for payment deadlines, account information and financial aid options.

Wondering what there is to do besides go to class? Check out the What to Do on Campus section of the site to learn about student activities and organizations, athletics, and employment.

This online orientation portal is your first real taste of life as a Buckeye. Take advantage of the opportunities available to you, and ask for help when you need it. You're in for the experience of a lifetime. Welcome to campus, and go Bucks!
