## Overview of program compliance requirements and deadlines

College of Nursing students are required to be fully compliant with all program compliance requirements in order to enter the program, clinical, health assessment or practicum. Program compliance includes a variety of requirements, each with specific deadlines. Please visit the [compliance website](#) for a more detailed description of each requirement and submission instructions. You are responsible for ensuring your program compliance requirements do not lapse during your time in the program.

A list of compliance requirements is provided below along with deadlines. You can use the “Completed” column to track your own progress.
