MUNDO Tips for Enjoying the Ride (Charter Bus Edition)

Here are some helpful tips and recommendations based on past MUNDO experiences for making sure your MUNDO road-trip transportation experience is a pleasant one.

Courtesy

- To request a change in the bus temperature, please contact a MUNDO staff mentor, or ACTION TEAM member to request the adjustment by the driver.
- Please keep feet off the seats of other passengers.
- Please wear headphones when listening to music or watching online materials

Emergency

- In case of emergency, please contact the MUNDO staff mentors or ACTION TEAM student planners immediately in-person, by phone, or using the MUNDO group e-mail set up for the experience.

Food on the Bus

- The group can eat on the bus unless directed otherwise by the driver. As a courtesy to other travelers, please refrain from consuming foods such as peanuts, tree nuts, or highly aromatic items that might trigger allergies or other issues.
- Please contact a MUNDO staff mentor or ACTION TEAM member if you would like additional bus snacks during non-designated break times.

Rest Stops

- Most MUNDO road trips will feature at least one rest stop, unless otherwise noted. Feel free to use the public facilities and grab additional snacks, food during this time.
- Please, however, be back to the bus by the designated meeting time.
- If you are going to be late returning to the bus, please contact a MUNDO staff mentor or ACTION TEAM member immediately in-person, by phone, or using the MUNDO group e-mail set up for the experience.

Safety

- Please do not distract the driver while the coach is in motion.

Timeliness

- Please be on time. When group members are late to designated departure times, it delays the experience for the entire group.
