This form is available online ONLY. Exhibitors with these projects will be sent an email with additional instructions **FRIDAY, AUGUST 4.**

The form should be submitted by **Friday, August 11 at 11:59 p.m.** Anyone who does not complete the form by this time will be weighed in last and required to complete the form before weighing in. Should a medication be administered to the animal after the form is completed, you will need to submit the form again to report the medication, even if it is after the August 11 deadline.

## Fans

One per animal. All fans must have three prong plugs and be at least 24 inches off the ground. No surge protectors are permitted. Extension cords must be 12/3 wire with no wrapping around posts. Zanesville Fire Department will be on site to check for compliance.

Animals shown for judging or sale by anyone other than the exhibitor will not be allowed, except by special arrangement with the Barn Superintendents in advance. Only another Muskingum County Junior Fair exhibitor can show the animal. Exhibitors must complete the Alternate Exhibitor Request form and submit it at their species barn meeting. The form is available on our website: [muskingum.osu.edu/juniorfair](http://muskingum.osu.edu/juniorfair)

## Livestock Sale Information

Exhibitors may sell only one lot of livestock in the market animal livestock sales, Bossy's Jug and Derby Bucks Auction. The exception to this is that all overall Grand and Reserve Grand Champions must sell. Youth with multiple projects must declare which will sell in auction at the Junior Fair Office immediately after they finish showing.

**Notes about Sale Checks** - No sale checks are sent until ALL BUYERS have paid. Sale checks are only good for 60 days.

### **Buyer Thank You Signs**

All youth are encouraged to hang thank you signs for 2022 buyers. Exhibitors must provide their own signs, no blank signs are available this year.

### **Buyer Photos for Hog Exhibitors**

There will be no photographer at the hog sale printing photos for the buyer cards. **Each youth with a market hog project is required to bring a photo to affix to their buyer card.** Photos will be collected during the barn meeting. Sale Committee will then return photos on buyer cards to the exhibitor immediately before selling.

The requirements for the picture are as follows:

- 4x6 photo of youth and their animal
- Landscape orientation
- Must follow showmanship dress code
- Must have exhibitor full name on back.

### **Buyer Photos for Other Exhibitors**

A photographer will take buyer photos for other market animal exhibitors during the market shows.

### **Sale Buyer Contacts**

In order to have successful sales, it is helpful for prospective buyers to know about the sales.

- Contact people/businesses you know in advance. Some businesses make lists ahead of the fair of whose animals they might purchase.
- Invite them to the auction to bid and consider purchasing an animal (NOT just your animal).
- Give the potential buyer the date, time and location of the auction.
- Instruct new buyers to call Muskingum Livestock Sales (740-452-9984) to become a registered buyer and receive a buyer packet before the fair.
- Thank all bidders with a personalized card.

**Announcements will not be made during the sale by auctioneers for the youth selling.** If you want to donate part of your sale check to a specific cause, you may do so on your own time.

### **Dairy Reminders**

- The Junior Fair Dairy Show is Tuesday, August 15 at 9 a.m., beginning with Showmanship. Dairy exhibitors show in white shirts and white pants. Pants should be **over** boots with no leggings. We will meet in the

Coliseum arena for a group photo, IN YOUR SHOW WHITES at 8:45 a.m. Let Pam Mitchell, the barn superintendent, know if you have any questions.

- Peewee & Adult Showmanship has moved to Monday immediately following the open class Dairy Show.

### **Ice Cream Barn Help Needed!**

- Dairy exhibitors are asked to work at least one shift in the Ice Cream Barn. There are also time slots available for 4-H clubs to use as a community service project or earn \$25 for their club.
- Sign up: [go.osu.edu/icecreambarn](http://go.osu.edu/icecreambarn)
- Contact Mandy McKenzie (740-644-4225) or Jenny Eck (740-819-4997) for more information.

### **Goat Reminders**

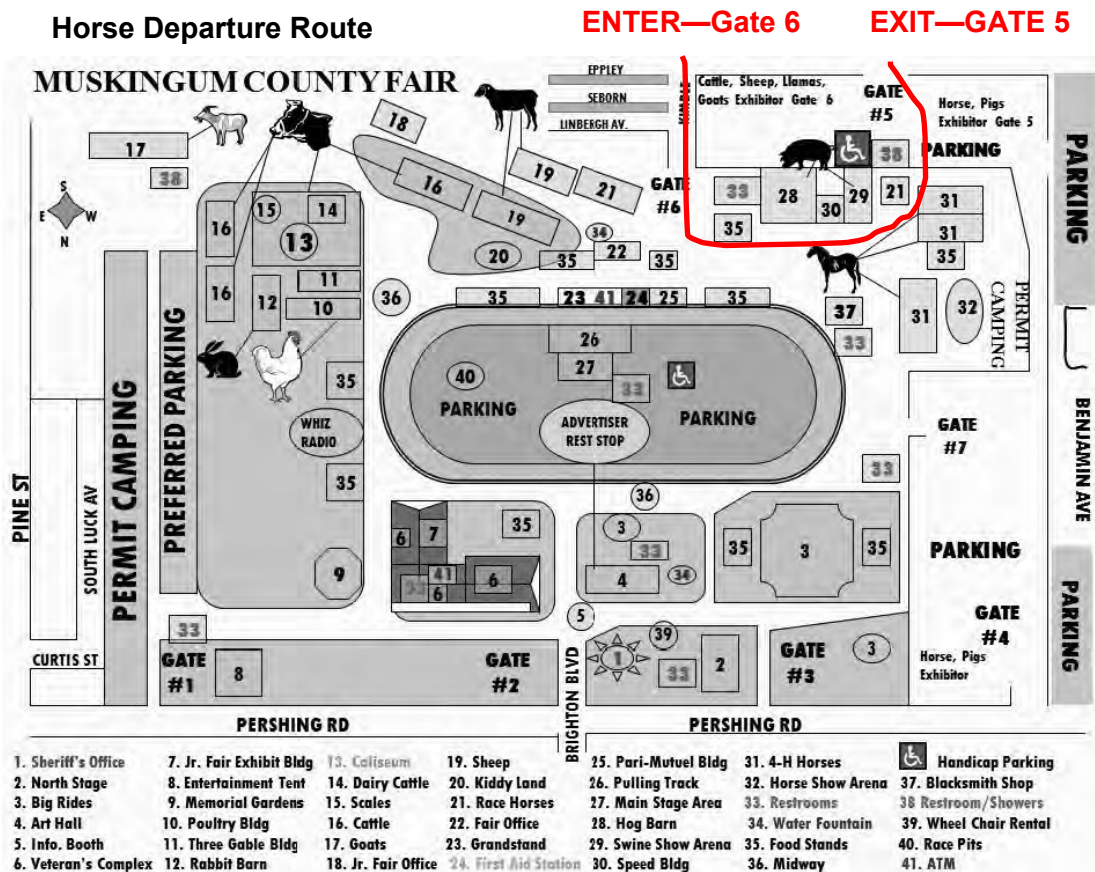

- If using a registered tattoo or microchip, original registration papers must be made available immediately upon request during fair. Microchipped goats must have an E or ET tattoo. If the goat has a microchip, the exhibitor must provide their own microchip scanner immediately upon request during fair. If the exhibitor cannot produce the required information or paperwork immediately, the animal will be dismissed from the grounds.

- Check-in for all rabbits is Saturday, August 12 from 11:00 a.m. - 8:00 p.m.

Any horse that does not have a vaccination record submitted by this time will be dismissed from the grounds.
- **Derby Bucks Auction** - The Junior Fair Horse Committee is hosting the first Derby Bucks Auction to benefit horse exhibitors! The Horse Committee is asking any club with horse projects to donate items to the Derby Bucks Auction and to invite potential buyers to the event on Tuesday, August 15 at 1 p.m. in the Horse Arena. Auction items can be horse specific (décor, tack & supplies, apparel, etc.) or not (gift cards, food items, etc.) Questions? Contact Randy Roberts at 740-319-1185.
- Please note that **NO ONE** is to be mounted on a horse inside the horse barns. For safety reasons, you must take your horse outside the horse barn to mount your horse.
- All Junior Fair Horses must undergo a Body Condition Score (BCS) evaluation by the fair horse veterinarian on the first day of the Muskingum County Fair. Any horse that does not have an adequate BCS will be dismissed from the grounds.
- Livestock trailers, as well as horse trailers, will not be permitted to remain on the fairgrounds or fairgrounds parking lots during the fair.
- To assist in keeping fair week smooth, the committee is asking that adults refrain from riding project animals during the fair. An exception would be a dangerous behavior problem with the animal.
- There should not be any riding double on horses at the fair.

- Arrival time: Saturday, August 12, 7:00 p.m. through Sunday, August 13, 8:00 a.m.

The Livestock Committee would like to make sure all swine exhibitors know the following prior to their arrival at fair:

No show boxes will be permitted in the aisle ways or outside the perimeter of the swine barn. **Show boxes found anywhere but on top of the exhibitor's pen will be removed.**

### Hog Shaving

Hog shaving/grooming (as taken from the fair book) – no “slick clipping or body shaving of market hogs except on the ears, tails and underline.” Slick clipping or body shaving is defined as less than ½” length of hair. Only water is permitted to be sprayed on hogs on show days.

All hogs will have their hair measured prior to market hog weigh-in. Any hog with hair below ½” will be disqualified and sent home. ### Swine Influenza

Pigs can be infected with swine influenza viruses that are different from human flu viruses. Swine flu viruses spread among pigs and—while rare—can spread from pigs to people too. The CDC has a great fact sheet with recommendations for exhibitors related to swine and human health. View the fact sheet:

[https://www.cdc.gov/flu/pdf/swineflu/fair\\_exhibitor\\_factsheet.pdf](https://www.cdc.gov/flu/pdf/swineflu/fair_exhibitor_factsheet.pdf)

### Preventative Health Measures

- Don't take toys, pacifiers, cups, bottles, strollers, or similar items into the pig barn and show arenas.
- Wash your hands often with soap and running water before and after exposure to pigs.
- If soap and water are not available, use an alcohol-based hand rub.
- If you are sick with flu-like illness, stay home to avoid spreading your illness.
