What's new for OSUAP?

## 2023 Professional Development Conference

Be sure to register for the [2023 OSUAP Professional Development Conference](#). Check the OSUAP website for more details on our keynote speaker and the wonderful breakout sessions we have planned. Registration will open to non-members soon, so be sure to register for your spot today!

**Empowering the  
Evolving Administrative  
Professional**

## May Bimonthly Meeting

Our May bimonthly meeting will be in partnership with the [Office of Diversity and Inclusion](#) (ODI) and will be exploring Microaggressions and Me. Join us on May 11 to learn more.

[Read more](#)

## Creating Connections for Mentorship

Join the reinvented mentorship program for our next small group session on May 24. Some of the best mentoring relationships develop organically and our hope is that participants can make connections that will lead to the creation of peer mentoring relationships.

[Register today](#)

## What is a BWI?

The importance of wellness in the workplace cannot be overstated. Faculty and staff at Ohio State can share their passion for health and wellness with colleagues through the [Buckeye Wellness Innovators \(BWI\)](#) program.

**Buckeye  
Wellness  
Innovator**

## Try a new recipe this spring

Spring has sprung and it's the perfect time to try a new recipe! Check out The Anniversary Cookbook, celebrating the Partnership for Food Safety Education's 25th Anniversary. It's not just a cookbook — it's a great tool for teaching home cooks about the basics of home food safety, cooking terms and safe minimum cooking temperatures.

# OSUAP Executive Team bios

Let us introduce ourselves! Take a few minutes to read a quick bio about your Executive Team to learn about our favorite things and our backgrounds.

[Read more](#)

## Suggestions?

### Have a suggestion?

If you have a content suggestion for future newsletters, meetings, events or other topics please send an email to our President, [Heidi Hamblin](#), for consideration.
