6 PM - 8 PM

Understanding Controlled Drainage Structures

Join us for this twilight open house learning opportunity. Drop in and stay for as long as short of a time as you would like. Our event is meant to be flexible. Virtual option available.

Paulding County Extension Office
503 Fairground Drive
Suite A
Paulding, OH 45879

LEARN ABOUT

Basics, funding, installation, maintenance, & control of drainage management structures. Demos by CAP Cover Crop Champions.

SAFETY WILL BE PRACTICED

The Nature Conservancy will offer a virtual option after the event. We are working to keep our communities safe.

UPDATES ON LOCAL FUNDS

Potential funding and cost share opportunities are based on geographic location or partnership sources.
