Postgraduate Fellowship for Advanced Practice Nurses and Physician Assistants

Multiple Fellowships Available:

There are five fellowship opportunities available in areas such as Oncology, Primary Care, Cardiology, Mental Health and Critical Care. The postgraduate fellowship for advanced practice nurses and physician assistants provides an opportunity to increase their experience and knowledge by participating in a year-long fellowship at The Ohio State University Wexner Medical Center and The James Cancer Hospital Comprehensive Cancer Center – Arthur G. James Cancer Hospital and Richard J. Solove Research Institute.

During the year of training, fellows will participate in a core curriculum of clinical and didactic study that will ensure exposure to the entire spectrum of various specialties.

Who is eligible?

Recent graduates who are able to meet the minimum requirements for entry into the program as well as experienced nurse practitioners or physician assistants.

Advanced practice fellowship applicants must meet the following criteria by the start of the program Fall 2017:

- Current license and certificate of authority to practice as a CNP in the State of Ohio. Graduate of a Nurse Practitioner program that qualifies the graduate to sit for the certification examination of a national certifying organization recognized by the Ohio Board of Nursing. Masters degree in Nursing. Have at minimum a Certificate to Prescribe Externship (CTP-E).
