EXPERIENCE

MedWise Medication Management Aug 2018-Aug 2022
Pharmacy Intern

- Perform Comprehensive Medication Reviews (CMRs) with 20-25 patients per day to ensure optimal medication regimens
- Identify gaps in therapy, drug-drug interactions, safety concerns, duplicate therapies, and adherence issues to discuss with patient and contact providers to make therapy recommendations when necessary
- Train new hires on the system and workflow

LEADERSHIP

Buckeyes Without Borders Mar 2022-Present
P4 Advisor

- Serve as a guide and mentor to the 2022-2023 Executive Board to aid in planning the medical brigade, fundraising efforts, and continuing to expand the organization

Medical Brigade Coordinator Mar 2021-Apr 2022

- Plan and organize the logistics of the 2022 medical brigade to Honduras, including recruiting 20 pharmacy students and preceptors, creating a medication formulary, collecting medications and supplies, and arranging travel accommodations
- Lead the group over the course of a week providing free medical services, dental hygiene supplies, COVID-19 vaccines, and more to 654 patients, over 250 more patients than previous years, and filling over 1500 prescriptions
- Doubled membership in our organization from previous years, during a year most clubs were reporting all-time low membership, while expanding our outreach opportunities and making our name known

Vice President of Fundraising Mar 2021-Apr 2022

- Coordinate fundraising events throughout the year to raise money for our annual medical brigade and to support charities that align with our cause
- Collected over \$3500 worth of donations from local Columbus businesses for raffle fundraisers, a 560% increase from previous years
- Raised over \$5000 over the course of a year to go towards supplies and medications for our medical trip, a 900% increase from previous years

Vice President of Outreach and Engagement Mar 2020-Apr 2021

- Recruited members for the organization while sharing our mission by creating opportunities to help the local community

Bridge Beyond

National Chair of Outreach Apr 2022-Present

- Advocate for those experiencing houselessness through outreach efforts with local companies and organizations, education of the general public, and formation of a team of young adults working towards eliminating houselessness
- Host donation drives within Ohio State's College of Pharmacy and work interprofessionally to initiate health screenings for for local houseless camps

National Chair of Fundraising Apr 2022-Present

- Raise money to put towards expanding the mission of the organization, use to create resource care packs for people experiencing homelessness, and donate to support local companies with similar goals

Ohio State Medication Management Program Aug 2021-Aug 2022

Advisory Board Student Representative

- Serve as a connection between the student body and upper management by voicing concerns, brainstorming solutions, and making positive change
- Created a feedback system for students to share their thoughts and ideas, took charge of an incentive system to provide recognition for hard work, and negotiated a well-deserved pay raise for interns

Physicians CareConnection Free Clinic Apr 2020-Apr 2022

Pharmacy Student Coordinator

- Manage operations of the clinic that provides primary care, dentistry, dermatology, free medication, and more for the underserved communities in Columbus, Ohio
- Implemented a medication reconciliation system that improved completeness and organization of patient charts
- Created services to improve patient adherence and safety including providing comprehensive medication lists and complimentary pill boxes and sharps containers
- Developed innovative ways to improve clinic workflow such as filming a training video for volunteers to prepare them for shifts, creating

“Reminder” sheets for providers, and revamping our inventory system

The Ohio State University College of Pharmacy

Aug 2020-Apr 2021

PharmD Ambassador

- Assisted with the interviews for Ohio State’s College of Pharmacy and connected with interviewees to make them feel at ease during the process
- Participated in panels and Q&A sessions on interview day to speak about graduate school experiences, Ohio State, and share advice with the prospective students

Student National Pharmaceutical Association, Ohio State Chapter

Mar 2020-Apr 2021

GenerationRx Chair

- Organized events and fundraising opportunities to raise money and awareness for safe medication use including educational activities about the opioid crisis
- Hosted an event to dispense free naloxone to students in order to help them be better prepared for emergency situations

MENTORING

Ohio State Rho Chi Mentor Program

Aug 2020-Present

- Serve as a mentor to six P1 students throughout their first year of pharmacy school and beyond to help them navigate this unique and difficult time

SNPhA Mentor Program

Aug 2019-Present

- Serve as a role model and resource to two undergraduate pharmacy students to ease their transition into graduate school

Ohio State Medication Management Mentor Program

Aug 2019-Present

- Assist four new hires at Sinfonia Rx Medication Management Program with their onboarding process and be a resource they can rely on

RESEARCH

Economic Impact of Pharmacy Services among Non-hospitalized Patients:

A Scoping Review

Ohio State Medication Management Program

May 2022-Present

- Co-authored and participated in data entry, analysis, and writing of manuscript with the intention of presenting at APhA Annual

Identifying opportunities for the improvement of diabetes care among patients in a Medication Therapy Management Program

Ohio State Medication Management Program

Apr 2021-May 2022

- Led project, involved in data entry, data analysis, and writing of the manuscript

***Relationship between Patient Characteristics and Medication Related Problems:
Cross-sectional Analysis of a Medication Therapy Management Program***

Ohio State Medication Management Program

Aug 2020-Apr 2021

- Scanned clinical notes of completed comprehensive medication reviews to identify medication related problems that resulted in pharmacist intervention with prescribers, pharmacies, and other individuals involved in the patient's medication regimen

ADVANCED PHARMACY PRACTICE EXPERIENCE

Community Pharmacy Rotation

May 2022

Kroger Pharmacy, Preceptor: Michael Ryan, PharmD

- Created a brochure on Narcan use and drug safety resources, an in-depth yet succinct review document for chronic disease states, and a "Rotation Guide" to help prepare future students for their experience at Kroger

Hospital/Health System Rotation

Jun 2022

OhioHealth Rehabilitation Hospital, Preceptor: Alexandra Ivanova, PharmD

- Revamped and standardized medication counseling workflow for pharmacy students and advocated for each patient to receive a pill box at discharge to enhance adherence

Ambulatory Care Rotation

Jul 2022

Charitable Pharmacy of Central Ohio, Preceptor: Ronni D'Agostino, PharmD

- Received Honors Level Performance
- Organized a student letter-writing event to Ohio legislators to advocate for Patients' access to FDA-approved drugs following the overturning of Roe v. Wade and for clearer guidelines on pharmacist liability

Ambulatory Care Rotation

Sept 2022

Indian Health Service, Whiteriver Indian Hospital (AZ), Preceptor: Angela Kao, PharmD

- Prepared and presented a segment for the local Apache radio station KNNB on preventative and non-pharmacological care for diabetes
- Participated in unique experiences with patients on the Apache reservation such as home visits, vaccination efforts at local pre-schools, a Sunrise Dance, and their annual rodeo/fair/parade in order to immerse myself in their culture
- Completed projects including a drug information question on resistant hypertension, a patient case presentation, and pamphlet on the safe practice of pain management with opioids
