

**4. What would improve the specialization? Include comments on any of the topics above, or other topics not mentioned.**

---

---

---

---

---

**5. Suggestions for the future....topics, length, presenters, format, etc. etc.**

---

---

---

---

---

**6. Feedback on pinned teaching collection project**

---

---

---

---

---

**7. Feedback on iNaturalist Ohio Bee Atlas project**

---

---

---

---

---

**8. To orient new participants, what should be discussed or clarified in the orientation? What do you know now that you wish you knew then?**

---

---

---

---

---

**9. Highlights of this program -- what you learned or how you changed. A few words or sentences will suffice.**

---

---

---

---

---

**10. Other comments or suggestions:**
