

M4M

Ministries4Movement is a partnership of Family Missionary Baptist Church, Men for the Movement, OSU research team, CeaseFire Columbus, National Center for Urban Solutions, with members of the community. We have developed a holistic approach to curbing gun violence and changing the conditions/quality of life in the community. We are actively engaged in efforts to mobilize the community within the boundaries of 22nd Street, Lockbourne, Whittier, and Livingston Avenue.

Our March which has transformed into a Movement addressing life issues and helping our neighborhood transform back into the vibrant community village to help the next generation to succeed. Addressing those strongholds within the home and reconnecting it back to the church house, school house and neighborhood house. As we continue to walk in the favor of God wearing our bands on our right hands as a witness of the Unity within our Community. The four colors represent the blessing and favor of God in the area of Resources (green), Relationship (red), Reviving (yellow) and Redemption (red/white). The Scripture Eph 3:15 talks about connecting the family of heaven with earth through the 3 o'clock hour hand and the 15 minute hand point together toward the east toward Judah (praise). **Join us** every 1st Sunday for a community march leaving from 996 Oakwood Ave @ 3PM sharp!
