## Ongoing business

## New business

- Wooster Staff Council - Where we stand / 2021 Membership: Looking to fill 5 positions (2 ATI & 3 OARDC). One at large position is confirmed.
- Food Trucks: committee is meeting after our meeting, maybe host in early September. Maybe have one truck at ATI and one at OARDC on different dates. Will not have tables or anything, get food and go.
- COVID Testing - ATI students living in Applewood Village are required to get tested weekly. 210 were tested and results will be back soon. Needed volunteers but got the approval to hire student workers to assist with testing. Talking about eventually testing all employees working on campus but as of right now ATI students only.

## Miscellaneous

- 2020 Wayne County Fair Update - Not having a booth, fair board made the decision not to have one.

Meeting adjourned (time): 10:00 am
